

INSURANCE REFERRALS REQUIRED

Please contact your Primary Care Physician (PCP) if you have the following insurance companies to get a referral authorization in place for your office visit. **Please note, if no referral is in place, you may be asked to reschedule your appointment until a referral is completed.**

An insurance referral is when your PCP contacts your insurance company and notifies them that you are going to see a specialist. **Please note, if you have Paramount or Medical Mutual, you will receive notification in the mail that your visit has been approved.**
